

## **Mary of Nazareth Daily Health Questionnaire and Temperature Check for Students, Faculty, and Staff**

Mary of Nazareth School parents will be utilizing the PlusPortals Health Questionnaire to screen their own children for Covid symptoms daily before entering the school building. This is a daily requirement that will be monitored closely by the school administration and Nurse Phillips. Parents who do not complete the procedure below will be called back to school to complete the health questionnaire and temperature with their child/children. Children who need this health check will be held in quarantine until parents return to school. Thank you in advance for your cooperation and strict adherence to this new school policy.

### Procedure

1. All parents will receive an email from PlusPortals every school day morning at 6:00am. This will be from [messenger@plusportals.com](mailto:messenger@plusportals.com). (Add this email address in your contacts to ensure the message does not go to your SPAM folder)
2. Login to PlusPortals.
  - a. Returning parents will use the same PlusPortals Login as previous years.
  - b. New families will receive their login information by the evening of September 2.
3. The Health Questionnaire and Temperature will be viewable upon entering the website. The check can be completed by parents on a PC or through the PlusPortals App.
4. Complete the Questionnaire by 8:00am before dropping your child/children off at school. Before care students will complete this upon entry of the building. This Health Questionnaire and Temperature Check will be filled out for each child in the family. An oral or Non-contact Infrared Thermometer is acceptable.
5. Mary of Nazareth School will receive a report from PlusPortals everyday by 8:00am listing families who have not completed the Health Questionnaire and Temperature Check.
  - a. Students who arrive at school without completing this health check will be held in a Covid isolation room until parents return to complete this check.
