

June 2022

Dear Rising Sixth Grade Students and Parents,

Welcome to Sixth Grade! We are excited to have you in our Middle School classes in the fall. We also understand how different Middle School will be for you but do not worry, your teachers are here to help you make the transition. We want you to begin the school year with the skills and strategies to be successful.

IXL:

The IXL math objective sets have been identified for you based on what your current math teacher has taught in his/her class, your identified student learning objective from the May Scantron assessments, and the expectations for the beginning of the school year. **Your IXL work will count as a quiz grade in math and as a homework grade English for the first marking period.**

- Math IXL objectives are listed as a separate document on our website
- Language Arts IXL objectives are on the next page of this document

Literature Project:

You are to read the incredible story of some amazing women who stood up to racial prejudice and social inequality. You are to read ***Hidden Figures, Young Readers Edition*** by Margot Lee Shetterly which can be found at the public library, Barnes and Noble, or Amazon. **We are asking you to write a brief summary after *each* chapter, about 2-3 sentences and bring the summaries to school on the first day, September 6, 2022.**

Please try to read every day for at least 30 minutes every day. We cannot wait to hear about the great novels that you have read. Remember to try to learn a new word every day, pray often, go to Mass, relax with your family and friends, and have a wonderful summer.

Have a blessed and peaceful summer!

The Middle School Teachers

**Mary of Nazareth Catholic School
Middle School English Language Arts
(Mr. Kravitz)**

**Rising 6th Grade: IXL Summer Work '22
(Due: Friday, September 9)**
