Introduction

Mary of Nazareth Roman Catholic Elementary School is an inter-parish school, serving seven parishes from the upper Montgomery County area. It serves students in pre-kindergarten through eighth grade.

Archdiocese of Washington School Mission Statement

The Catholic Schools in the Archdiocese of Washington, rooted in Gospel values and the teaching mission of the Catholic Church, are learning communities of faith and service dedicated to educational equity and excellence for all students.

Mary of Nazareth Roman Catholic Elementary School Mission Statement

Mary of Nazareth Roman Catholic Elementary School prepares children for lives of service to God and neighbor, through a rigorous academic program rooted in the faith and teachings of the Roman Catholic Church as professed in the Creed, celebrated in the sacraments, lived in Christian virtue and affirmed in prayer.

Mary of Nazareth Roman Catholic Elementary School Philosophy

Mary of Nazareth Roman Catholic Elementary School is a Christ-centered environment where each child, nurtured by parent, parish, and educator, is encouraged to follow the example of Jesus in all aspects of life. Our students thrive in an environment of regular worship, service, daily prayer, devotion to Mary, and consistent reference to the word of God. We welcome diversity among our inclusive student-body and stress the unifying concepts of tolerance, love, and respect. Students are encouraged to seek knowledge through the teachings of the Catholic Church and apply those teachings to daily life.

Mary of Nazareth Roman Catholic Elementary School is comprised of three age-focused programs: early childhood, intermediate, and middle school. Within these programs, teachers collaborate to develop and strengthen relationships. These interdependent relationships within the school community are fostered through the leadership of administrators.

The curriculum of the Archdiocese of Washington is viewed from a Catholic perspective, with a central love for the wisdom that comes from the Holy Spirit. The faculty is aware that the manner in which we model our love of God and Church encourages our students in their own search for lasting faith. Families of our students and their individual parishes continue to foster a love for Christ and a respect for education. Parents are the primary educators; in partnership, teachers and parents strive for the overall success of each student.

We are dedicated to providing students with a well-rounded curriculum, which focuses on the spiritual, developmental, emotional, cognitive, and physical well-being of our students. Recognizing the multiple learning styles and diverse needs present in each classroom, the educators differentiate with a variety of resources, teaching methods, and assessments. Through reinforcement, praise and consequence, we foster an enthusiasm for education. As a result, our students develop the inner confidence to make choices that positively impact their world.

Founding Vision

The name, Mary of Nazareth, was selected by James Cardinal Hickey to “create a link with the Holy Family, in recognition of the school’s role in supporting Christian family life.” It is the community’s and the Archdiocese’s commitment to Catholic education that has resulted in the historic opening of this school, the first new elementary school to open in the Archdiocese of Washington in 30 years. A mural painting, created by a school parent, is displayed in the main hallway commemorating the school’s opening and founding vision.

Governing Structure

A Board of Directors representing the Archdiocese, Pastors, and parishioners from the seven supporting parishes governs Mary of Nazareth School. Committees provide guidance on plant and facilities, development, finance, governance, curriculum, and strategic planning. The current list of Board members is included as an addendum.

Accreditation

Mary of Nazareth School is accredited through the AdvancEd Accreditation Commission and Board of Trustees through the Southern Association of Colleges and School Council on Accreditation and School Improvement.

Handbook Review

The school administration and members of the Board of Directors will review the policies and procedures in the Parent and Student Handbook annually. Suggestions for making the handbook a more useful reference document are welcome. Please contact the assistant principal with your suggestions. The principal and Board of Directors retain the right to amend the handbook at any time. Parents will be notified promptly of any changes. Parents are required to review the handbook with their child/children enrolled at Mary of Nazareth School.

Search and Seizure

If the principal, assistant principal, or one who takes their place officially, has information that a student has in his/her possession items, such as drugs or weapons, or anything resembling drugs or weapons, that constitute a criminal offense in the state of Maryland, the principal or his designee reserves the right to conduct a reasonable search of a student on the school premises in the presence of a third party.

Privacy Policy

Mary of Nazareth School does not distribute private information to anyone outside of our community and only inside of the Mary of Nazareth School community for necessary purposes. We do not disclose the phone numbers or private email addresses of our faculty and staff. While we do produce a faculty and staff and student directory for school use, distribution of this information outside of the Mary of Nazareth School community is prohibited and must never be used for commercial purposes.

Parents are not to call administration, faculty or staff at their homes unless otherwise directed.

Child Abuse Policy

The welfare of each student is important to the staff and faculty of Mary of Nazareth School. Parents are reminded that the school is required to report any suspected case of child abuse or neglect, even if there is no definite proof (Archdiocese Regulation 5000.2).

Prevention Programming

As a Catholic school, we believe and teach that each of us is called to love our neighbor and to treat them with respect. We are committed to providing a physically safe and emotionally secure learning environment that is free from bullying, harassment, and intimidation in any form, including cyberbullying. Bullying, harassment, and intimidation of any member of the school community is prohibited. All reports of bullying, harassment, and intimidation will be treated seriously. The principal's review and investigation of a credible allegation will be done in a prompt, confidential, and thorough manner. The reprisal or retaliation against anyone who reports acts of bullying, harassment, and intimidation is strictly prohibited. All reports of reprisal or retaliation will be treated seriously.

Bullying, harassment, and intimidation means any intentional written, verbal, or physical act, including electronic communication (telephone, cellular phone, computer, pager, iPad, etc.) that:

1. Physically harms an individual, damages an individual's property, substantially interferes with an individual's education or learning environment, or places an individual in a reasonable fear of harm to the individual's person or property; and
2. Occurs on school property, at a school activity or event, on a school transportation vehicle or bus, or substantially disrupts the orderly operation of the school.

Non-Discrimination Policy

The Archdiocese of Washington Non-Discrimination Policy can be found on the website of the Catholic Schools Office of the Archdiocese of Washington: <https://adwcatholicschools.org/>.

Admissions Policy

Students will be accepted to Mary of Nazareth School in the following order: siblings of children already enrolled in the school, children of registered participating members of one of the seven sponsoring parishes, Catholic children from non-sponsoring parishes, non-Catholic children interested in a Catholic education.

An equal number of seats in the school will be made available to each of the seven sponsoring parishes each school year, following re-registration of currently enrolled students. If needed, a lottery system will be utilized for kindergarten to fill remaining available seats and establish a waiting list for the upcoming academic year.

Registration Procedures

Registration for school admission for the next school year will open in October. Information on registration will be posted in the bulletins of the seven sponsoring parishes and available online. All students will be screened prior to admission, in accordance with Archdiocesan policy. Documents required for registration included a completed application form(s), birth certificate, baptismal certificate, current report card or progress report, a pastoral recommendation form if applicable, and a non-refundable \$250.00 registration fee. Re-registration of current students will be available in January.

Children entering kindergarten must be five (5) years old by September 1 of the academic year for which they are applying. Students entering Preschool must be 4 years old by September 1 of the academic year for which they are applying.

Withdrawal from School

- Parents of students withdrawing from school must notify the main office of the intended withdrawal and clear all accounts (hot lunch program, tuition, textbooks, library books, extended care, transcript fees, and other fines or fees).
- It is essential that students be withdrawn properly in order that the records can be transferred to their next school.

Tuition

The Board of Directors establishes tuition for Mary of Nazareth School annually. Tuition may be paid yearly, monthly, quarterly, or semi-annually payment plans using direct debit or credit card through the FACTS Tuition Management Company. Payment in full by credit card can also be made through FACTS. Information on FACTS Management and the payment options is available on our website.

The book and materials fee for students in grades K-8 is \$300.00 per student per year, and the Preschool Admission fee is \$300 per student per year. The Preschool Admission fee only is applied to the student's total tuition.

Delinquent Tuition Policy

If tuition is not current at the end of any quarter, the student(s) may not be permitted to attend classes at the beginning of the next quarter unless the parent or guardian contacts the school principal. If tuition is not current at the end of the school year, the student(s) may not be permitted to register for the next school year nor have transcripts forwarded to another educational institution. In addition, final report cards and/or diplomas will be held until tuition payment is received in full.

Tuition Assistance

Tuition assistance programs through the school and the Archdiocese are available to students attending Mary of Nazareth School. Pre-K students may only receive assistance through the Archdiocese; Mary of Nazareth School does not offer tuition assistance to Pre-K students. Families must apply through TADS and need only to submit one application. Families who may be experiencing a need for some form of tuition assistance are encouraged to contact the school office for further information. Parents

experiencing difficulty in paying full tuition for more than one child are also encouraged to contact the school office for possible tuition assistance.

Returned Check Policy

A fee of \$12.00 will be charged for checks that have been returned from a bank.

Home and School Association

All parents of Mary of Nazareth School students are automatically members of the Mary of Nazareth School Home and School Association (H.S.A.) and are therefore expected to pay an annual dues fee (set by the H.S.A. Executive Committee) at the beginning of the school year. Parents are expected to attend the meetings and to participate on H.S.A. committees and in its activities. Many of the school's wonderful community building activities are sponsored by the H.S.A. Additionally, H.S.A. meetings provide an important forum for the exchange of information and discussion of issues affected the students. It is recommended that at least one parent attend each meeting. A listing of H.S.A. officers, committee chairs, and other information may be found on the school website.

Volunteering

In order to work with children in the Archdiocese of Washington, volunteers must be cleared through the Child Protection Program (VIRTUS). To comply, a volunteer must:

- Go to www.virtus.org and click on the link for "registration". Begin the registration process and choose "Washington, DC (Archdiocese)". Create a user name and password, and register to attend a child protection class somewhere in the Archdiocese. Please choose "Mary of Nazareth School" as your location.
- Schedule an appointment to come into the office to complete a Criminal Background check with Mrs. Maryellen Wray. Please bring the completed volunteer application ([available at www.adw.org](http://www.adw.org) "Child Protection"), two forms of government issued ID (drivers' license, passport, birth certificate, social security card), and a check for \$13.50, payable to Mary of Nazareth School.

Carpool Procedures - **ALtered during COVID**

Morning Drop Off

The following rules are to ensure the efficiency of morning drop off and the safety of our students. Your compliance and patience are greatly appreciated.

- **SLOW DOWN!** It's better that your child is a little late than someone is hit by a car.
- **Do NOT** get out of your car. Safety patrol and staff members are available to assist your child out of the car.
- Pull all the way around the circle to allow other vehicles to unload simultaneously.
- **NEVER** pass on the left in the front circle. Please wait until the car in front of you moves.
- Children should only exit the car from the passenger side of the vehicle.
- Using your cell phone is **not allowed** while dropping off your children.
- Please leave your pets at home. Having your pets in your car while dropping off could create a potentially dangerous situation.
- Place your car in park while unloading your children.
- If you have a large carpool or if your children are bringing projects/sports bags to school, please drop off at the KFC to allow the children ample time to unload. **Never use the faculty/staff lot** to drop off or pick up your children.
- Please **do not beep your horn** to recall your child, say hello, or to have someone in front of you move faster. Using your horn is often misinterpreted and creates confusion. Please only use your horn in case of an emergency.

Afternoon Carpool

During the first few weeks of school the carpool line is always longer. New children are learning their carpool numbers, carpools are forming and after school activities have not yet begun.

- All students in carpool must exit from the front doors.
- Adequate space should be left for the first car in the carpool line. This space is reserved for the Benefit Gala item winner.

- **SLOW DOWN!** Make sure the carpool person has your number before you pass him/her. If the carpool number-taker is busy, please stop and wait for him/her to finish. This ensures your number is recorded correctly.
- Make sure your carpool number is visible at all times. Always use the office-generated yellow carpool number, never a homemade sign. Hanging the carpool number from your rear-view mirror works well. Do not verbally give your number to the number taker. **Do not** remove your number until your child is in the car.
- Using your cell phone is **not allowed** while picking up your children.
- You may be directed down **the side road before the teacher parking lot (the “road to nowhere”)**. This is critical in preventing a backup on Seneca Road and it helps the carpool line operate more smoothly.
- **If you hit a car in the parking lot or any place on school grounds it is your responsibility to leave a note with your name and number.**
- If you are sent into the church parking lot, please form a line utilizing the entire loop of the parking lot. **Do not** make the first left once inside the church parking lot to shortcut the lot, even if there are no cones blocking the way. This will result in numbers being out of order. This is also critical in preventing a backup on Seneca Road.
- If your child does not come out of the school when you are in the circle you will be directed to the KFC parking lot. Please wait patiently or park your car and walk to the front door of the school to pick him/her up. **Do not** re-enter the carpool line, this throws off the number order.
- **Do not** send children back into the building to retrieve another student. Instead, please tell a safety patrol or staff member the name of the student you are missing.
- **DO NOT** get out of your car. Safety patrol and faculty are available to assist your child into the car. If you need to buckle a safety seat, please move to the KFC parking lot.
- Place your car in park while loading your children.
- Please leave your pets at home. Having your pets in your car while dropping off could create a potentially dangerous situation.
- Please **do not beep your horn!** Using your horn is often misinterpreted and creates confusion. Only use it in case of an emergency.
- Half days, holiday dismissals, no aftercare days, and bad weather are reasons for heavy volume and slower movement. Please be patient.

Parent – Teacher Partnership

As stated in our philosophy, each child at Mary of Nazareth school is nurtured by parents, parish, and educator. We consider the parents to be the primary educators of their children. The administration and teachers at Mary of Nazareth school are pleased to have the opportunity to assist in that process. As your partners, we welcome your input and comments on all aspects of our activities.

Parents and teachers will work together to support our school by supporting the religious, educational, and disciplinary aspects of Mary of Nazareth School. We will partner to strive for the overall success and development of each child.

We consider our teachers to be highly qualified professionals in the performance of their obligations, and you are encouraged to communicate your comments and concerns directly to our teachers. The first

step in parent and school communication is to contact the teacher directly. In all of our communications, parents and teachers must work in partnership with dignity, respect, and courtesy with the mutual goal of encouraging the child to have the inner confidence to make choices that will positively impact their world.

Additionally, parents are expected to carefully consider what they choose to post online and on social media sites regarding the Mary of Nazareth School community. Certain types of personal observations and judgements can create a liability for the individual posting the comment, the school, and its constituency. These postings are often counterproductive and incendiary.

School Rules and Regulations

Mary of Nazareth School has the authority to make reasonable and necessary rules governing the behavior of students in the school. This is necessary for the safety and well-being of all. These rules will apply to all students during the school day, as well as, while participating in school-approved activities. Each student is expected to recognize that the school's authority extends from within the building itself to the walls surrounding it, to the playgrounds and other outside areas. Teachers have the responsibility for maintaining a suitable environment conducive to learning. The administration has the responsibility for maintaining and facilitating the educational programs. Rules and regulations will be published and reviewed at the beginning of each school year.

Emergency Contact Information

It is essential that student and parent contact information is always accurate and up to date. The school office must be notified in writing immediately should there be any change of address, telephone number, email address, medical history, or emergency contact person.

Visiting the School **Altered during COVID**

- During normal school hours (8:20 a.m. – 3:00 p.m.), all visitors, including parents, must enter the building through the front door and report to the school office.
- Volunteers and visitors must sign in at the computer in the main office lobby and wear a nametag while in the building.
- In cases of emergency or pre-arranged classroom visits, parents or visitors will be directed to the appropriate classroom.
- Special visits to observe children in the classroom can be arranged in advance by contacting the principal and teacher.
- Parents wishing to meet with a teacher must schedule an appointment beforehand. Please refrain from entering the classroom during school hours or before or after school without an appointment.
- If you bring something to school for your child, such as a forgotten lunch or binder, the office personnel will alert your child's teacher and the child will retrieve the item from the office.
- Parents should refrain from visiting the school office between the hours of 8:00 a.m. to 8:30 a.m. and 2:45 p.m. to 3:30 p.m.

- Please park in the Katie Fitzgerald Center parking lot or the faculty and staff parking lot unless it has been blocked off for use. Please do not park in the spaces reserved for preschool.
- Please refrain from parking in the circle in front of the main building.

Catholic Faith – Mass and Sacraments

According to church teaching, parents are the primary educators and the cornerstone of their children’s education in the ways of Christian faith. You are encouraged to participate in the Sunday liturgy as a family. Children will understand and appreciate this central mystery of Christian life when they see their parents participate in the weekly celebration of the Mass and in other parish ministries.

All students, regardless of their religion, will attend the monthly school Mass, receive general instruction in the Catholic faith and sacraments, and participate in other religious activities as part of their religious education at the school.

Parents should note that final preparation and reception of individual sacraments will be through their parish. It is the parent’s responsibility to contact the pastor or religious coordinator in their parish for specific information on the preparation of each sacrament.

May Crowning

The month of May is dedicated to the Blessed Virgin. It is our tradition to crown Mary on the first Friday in May in a whole school Mass in the Katie Fitzgerald Center and in individual classrooms.

Prayer Partners

Students in grades K, 1, and 2 are paired with students in grades 6, 7, and 8. Prayer partners will pray together during the year, sit together at Mass, and engage in other activities. Please get to know your child’s prayer partner.

Student Attendance

Archdiocese of Washington School Attendance Policy

The following are valid reasons for excused absences from school (if properly documented upon the student’s return to school):

1. Illness of the student (after three days of illness, student must provide documentation that indicates that he/she is able to return to school);
2. Medical or dental appointments;
3. Death in the student’s immediate family;
4. Necessity for a student to attend a judicial proceeding;
5. Lawful suspension or exclusion from school by chief administrative officer;
6. Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other conditions requiring closing or suspension of classes; and
7. Other absence(s) approved in advance by the chief administrator upon the written request of a parent or guardian. Sufficient notice should be given to the school in order to provide

anticipated student work that the student is expected to complete during their absence.
Failure to provide sufficient notice may result in an unexcused absence.

Any absence that does not fall into one of the above categories, or is not properly documented by the student's parent/guardian, is an unexcused absence.

Additional School Attendance Policies

- Student absences are to be reported to the school office before 8:45 a.m.
- A written excuse signed by the parent or guardian must be presented for each absence on the day the student returns to school.
- Five unexcused absences will constitute excessive absence in a quarter.
- Other absences for school related meetings or Masses that have been approved by the principal, high school shadow days (no more than 3) and Take Your Child to Work Day are excused absences.
- Vacations during the school year are unexcused absences. The faculty and administration are not responsible for class work, homework, and tests missed by the student during this time. The teacher is not obligated to provide tutorial help for time missed. No assignments will be given in anticipation of family vacations. The teacher will determine the appropriate amount of time given to make up missed work.
- Students who are ill and must be sent home are to be excused by the nurse or the main office.
- Students who have been absent the entire day or the afternoon due to illness are not permitted to attend after school functions in the afternoon or evening of that day.
- When a student needs to be dismissed early, a written note from the parent stating the time and reason must be given to the homeroom teacher and the affected teachers.
- Departure before 12:00 p.m. is entered as a ½ day absence. Students must be signed out at the main office.
- Arrival after 12:00 p.m. is entered as a ½ day absence. Students must be signed in at the main office.
- The administration will review student absence records when determining perfect attendance on a case-by-case basis as it relates to a death in the immediate family, tardies, early school departures, etc. High school shadow days (limit of 3) do not count against perfect attendance.

Tardiness

- Tardy students are a disruption to the education of all our students. Please make an effort to be on time.
- Students arriving to school after the 8:20 a.m. bell are considered tardy.
- Students arriving to school after 8:30 a.m. must be signed in by a parent/guardian.

Inclement Weather

- Mary of Nazareth School follows the closing and delays procedure adopted by the Montgomery County Public Schools (MCPS) system.

- If a closing or delay occurs on a day when MCPS has a scheduled day off, we will follow announcements made by the Archdiocese of Washington Schools.
- Local TV and radio stations will carry school closing or delayed opening announcements.
 - Please do not call the school or rectories for school closing and delay information.
- If necessary, additional school days will be scheduled to compensate for closings due to inclement weather.
- If Mary of Nazareth School has a scheduled early dismissal, and a two-hour delay is announced, Mary of Nazareth School will be closed.
- Students must be picked up at the announced dismissal time when the school has early dismissal due to inclement weather.
- Before care/after care will not be held when the school is closed due to inclement weather.
- After care will be cancelled when MCPS cancels after school activities.

Health Information and Policies

Medication

Students are not permitted to bring or carry any over-the-counter medication or prescription medication to school. This includes aspirin, cough drops, eye drops, creams, ointments, etc.

If a student requires medication:

- The parent/guardian can bring the medication to school and give it to the student.
- The parent/guardian can provide the school with the medication and ADW Form 8, “Student Medication Authorization” (grades K-8) or “The Office of Child Care Medication Administration Authorization” form for Pre-K students (both forms found on the website under “Health Room”).
 - These forms require both a doctor’s signature and a parent signature.
 - The student must go to the nurse’s office at the time the medication is to be dispersed.

Student Illness

A sick child cannot learn effectively and is unable to participate in classes in a meaningful way. Keeping a sick child home prevents the spread of illness in the school community and allows the child an opportunity to rest and recover. If you have any questions, please call the school nurse at 301-869-0940, extension 5.

Please refer to the following guidelines when deciding to keep your children home from school due to illness or when returning to school after an illness.

- Colds – Please keep your child at home if he/she has a fever over 100 degrees or is experiencing discomfort that would interfere with the ability to perform at school (i.e., uncontrollable coughing, severe lack of energy, etc.). Consult with your physician if your child experiences green nasal discharge that continues throughout the day, or has a cough lasting longer than ten days, that is accompanied by fever or chills and is productive of discolored sputum.

- Conjunctivitis (pink-eye) – A child with bacterial conjunctivitis may return to school 24 hours after the first dose of prescribed medication. A child with viral conjunctivitis may return to school when the eyes are clear.
- Diarrhea/Vomiting – A child with diarrhea and/or vomiting should stay at home and return to school only after being symptom free for 24 hours.
- Fever – A child with a fever greater than 100 degrees should remain at home. The child can return to school after he/she has been fever free for 24 hours without fever-reducing medicine such as Tylenol or Motrin.
- Impetigo – A child with impetigo may return to school 24 hours after treatment has begun. A doctor’s note or proof of prescription is requested.
- Rashes – Common infectious diseases with rashes are most contagious in the early stages. A child with a suspicious rash should return to school only after a health care provider has made a diagnosis and authorized the child’s return to school.
- Strep Throat – A child with strep throat may return to school 24 hours after antibiotic treatment has begun.
- Lice – Please contact the school nurse for assistance if you suspect your child has lice.

Counseling

Counseling services are available to students at Mary of Nazareth School. These services include classroom guidance, individual and small group counseling, and guidance to parents, guardians, and faculty and staff.

The counselor gives guidance as a mediator in conflict resolution, instruction in anti-bullying in the classrooms, and any other social concerns the classroom teacher or administration identifies.

Individual students may visit with the counselor one time without parent consent or knowledge.

Curriculum and Academic Policies

- Mary of Nazareth School teachers are guided by the academic standards of the Archdiocese of Washington.
- All students should strive to work to their full potential and meet the academic standards and expectations of Mary of Nazareth School.
- It is important to note that promotion to the next grade and opportunity to return for the next academic school year are not automatic.
 - Parents will be notified if there is any possibility of retention, failure, or dismissal of a student for academic reasons.
 - Any student who receives a failing grade in an academic subject may be required to attend summer school or a tutoring program before entering the next grade.
 - Any serious deficiency in a student’s academic performance, attitude, and conduct will be evaluated by the principal and the student’s teachers, in consultation with the student’s parents, to determine the student’s ability to remain at Mary of Nazareth School.

Homework

- Homework is assigned to ensure assimilation of the subject matter taught in class and to provide reinforcement.
- Students are required to write homework assignments in their assignment books.
- Homework is posted on the Mary of Nazareth School Rediker website.
- Parents are asked to oversee the completion of homework and preparation for assessments.
 - Provide a quiet place, free from distraction, to complete homework assignments.
 - Supervise and check homework.
 - The average total time for written and study homework will vary in relation to each student's ability, focus, and grade level.
- Failure to complete homework assignments may result in assignment completion during recess or in a detention.

Penmanship

Students should strive for high quality performance. This rules out:

- Crossing out.
- Underlining without a ruler.
- Careless letter formation.
- Improper heading.
- Writing above or below the line.

Standardized Testing

- Grades 2-8 participate in the Archdiocese of Washington elementary school testing program (Scantron).

Parent/Child Reunification Process

Guidelines for Implementing the Parent/Child Reunification Process

1. Post signs on entrance doors and hallways to direct parents/guardians to the reunification area.
2. Utilize available staff members to assist with the implementation.
3. Assign available staff members and OSET members to locate and release students.
Once the crisis plan has been activated and the decision has been made to dismiss students, the following policy will be strictly enforced:
4. Students will be moved to the chosen Parent/Child Reunification area. If release is from the school building, students should return to their homeroom for dismissal.
5. Parents will not be permitted to enter the evacuation area until the Administrator in charge and the Archdiocese have released the students for dismissal.
6. Tables will be set up for the release of students. Each will be labeled with a sign denoting a portion of the alphabet.
7. Parents will be directed into the pick-up area in a controlled manner and will proceed to the table labeled with the first letter of the student's last name. Students will only be released to their parents or persons designated as an emergency contact on each student's emergency card. A staff member will be stationed at the table and the student will be brought to the parent by staff. Photo ID will be required before a student will be released. The parent/contact will sign out the student and then he/she will then be checked off on the master role.
8. Students will not be released to their car pools.
9. Emergency cards which denote custody concerns will be highlighted in red.
